### **JR (Japan Rail) Pass:**

We recommend you to purchase the JR pass if you travel before/after the Conference.

The “Japan Rail Pass” is available to foreign tourists visiting Japan under "temporary visitor" entry status. It will give you almost unlimited access to most JR trains (except for Nozomi Super Express), and JR buses for a set period of time (See below). The voucher (Exchange Order) for this pass can be purchased only outside Japan, which will be exchanged for a JR Pass after your arrival in Japan.

Seat reservations can be made in advance without additional payment, but only inside Japan. After

purchasing the voucher in your country and arriving in Japan, you should apply at any travel service center or information office (Green Window) located in a JR station (such as the one at Narita Airport). You can exchange your voucher with a JR Pass, presenting your passport, and make all your train reservations with the Pass.

\*For details about JR Pass, please inquire at a travel agency in your country, or visit
